
PUBLISHED THE REPORT "USE OF THE COURSE MANAGEMENT SYSTEM AULA CESGA"

- Last Updated (17.12.2010)

The report issued in January 2010 includes the analysis of the technical evaluation and use of the Course Management System Aula Cesga, a Virtual Learning Environment offered as a service by the CESGA's e-learning Dep. Includes analysis of server logs and data from the survey made among teachers and researchers, users of the management platform for online courses Aula Cesga (<http://aula.cesga.es>).
